

Project List

List of major projects:

S/N	Project Title and Scope of Work	Consultant	Client	Year
1	Shining Tower in Abu Dhabi Island at W04 (Supply and installation of 3C/240 power cable & accessories for bulk consumer substation)	Armstrong	M/s. Target	2012
2	Royal Catering Camp (Installation, Testing & commissioning of Temporary 33KV/11KV substation for Labour Camp in Giathy)	N/A	M/s. Royal Catering/Kinden Corporation.	2013
3	Underground Cable Work for 33KV (Installation, Jointing, Termination, Testing & Commissioning of 33KV 3C/300 cable)	NIYO MEP Engineering Consultants	M/s. Time Electro	2013
4	Commercial Tower in Al Reem Island at RS2 Plot C2 (Supply & energization of 22KV permanent power substation)	NIYO MEP Engineering Consultants	M/s. Emirates Balbadi Co.	2014
5	ADNOC Headquarter (Supply, Installation, Testing & Commissioning of 3C/120 flexible cables heat shrinkable joint and Termination)	ADONC	M/s. ADNOC/ Six Construct	2014
6	Yas Mall (Design, Supply, Installation, Testing & Commissioning of 22KV 5Nos temporary power substation for site construction)	Parsons	M/s. Al Dar/ Six Construct	2014
7	Yas Mall (Cancellation of Temporary power supply for	Parsons	M/s. Al Dar, Miral Assets/Six Construct	2015

	existing substation)			
8	Al Maryah Island Bridges 11,10,4 & 3 (Installation of 11KV Temporary Substation for site office)	ECOM Consulting / Parsons	M/s. Mubadala/Six Construct	2016
9	Al Maryah Island Bridges 11,10,4 & 3 (Design and Installation of MEP works including, electrical works for LED Street Lighting and MEP for vertical Links)	Ecom Consulting / Parsons	M/s. Mubadala/ Six Construct	2016
10	Warner Bros. Theme Park in Yas Island (Supply and installation of 5Nos 22KV/0.4KV substation Temporary Supply including the civil works such as trenching removal and reinstate of interlocking tiles, asphalt.... etc., including operation and maintenance of 22KV/0.4KV distribution substation)	Parsons	M/s. Al Dar, Miral Assets/Six Construct	2016
11	Louvre Museum in Saadiyat Island (Energization of 22KV Permanent Substation for Louvre Museum)	Hill/WSP	M/s. TDIC/Drake & Scull	2016
12	Modification of 7 Nos. 22KV/0.4KV substation in Al Reem Island (Modification of 7Nos substation and handing over to M/s ADDC including road civil works such as excavate trench, Asphalt cutting & reinstatement)	ADDC	Bunya	2017
13	11KV Cable Laying Works Cont. 3761600078 (Installation, Jointing & Commissioning of 33KV/11KV and Associated Works and Supply, Installation, testing 1 Commissioning of 24 Fiber FO Cable with Accessories from Garhoud 132/33Kv Substation to City Centre 33/11Kv Substation cable works)	Ckr Consulting Engineers	M/s. DEWA/ Time Electro	2016
14	11KV Cable Laying Works Cont4351400035. (Installation & Commissioning of 11KV	Ckr Consulting Engineers	M/s. DEWA/ Time Electro	2016

	Underground cables)			
15	Upgrade of Ferrari Substation No. 15 Ferrari World, Yas 115 Substation (Replacement existing distribution Transformer by special type transformer.in Yas Substation Yas 115 in Yas Island)	Miral Assets	M/s. Al Dar /Six Construct	2017
16	Ferrari World, Yas 113 Substation (Installation of Additional transformer in Yas Substation and accessories works in Yas 113 in Yas Island)	Parsons	M/s. Al Dar, Miral Assets/Six Construct	2017
17	Cancellation of 11KV Substation (Cancellation of M15 substation in Mussafah area and Disposal the materials and return back to ADDC store)	ADDC	M/s. China State	2017
18	Operation and Maintenance of 22KV substation in Yas Island (Operation and Maintenance of 5Nos Substation for Theme Park Projects site office for 24 Months)	Parsons	M/s. Six Construct	2017
19	Street light poles (Removal of 37 nos. of existing street light poles (High Mast Poles & 10m street light pole) in Abu Dhabi Wharf Project, Al Mina)	Ramboll	M/s. MODON/Al /Tayer Stock	2019
20	Design and installation of Electrical and AC in Al Shamkha/ Easy Home Shop (Design and installation of internal electrical distribution network and AC network inside Easy Home shop)	N/A	M/s. Easy Home/Makani Mall	2019
21	Utility Survey and Condition Assessment in Mina Zayed	Ramboll	M/s. MODON/Al Tayer Stock	2019
22	Al Reem Integrated Healthcare Center, Abu Dhabi Permanent Road Access & Shifting of	HDP	M/s. Vamed Emirates LLC	2019

	street light			
23	ADNOC compacted services petrol station-Al Wathba South (Field Survey and Condition Assessment of Existing Utility services in Abu Dhabi Wharf Project, Al Mina)	Dorsch Gruppe DC -Abu Dhabi	M/s. ADNOC-Compated service petrol station	2019
24	ADNOC compacted services petrol station- Icon SAADIYAT Island (Built the 4nos access road including shifting of 14m decorative street light and protection of all the utility services such as 22KV, Fiber Optic cables, sewerage, storm water, irrigation, potable water, gas pipes,)	Parsons	M/s. ADNOC-Compated service petrol station	2019
25	ADNOC compacted services petrol station-Acher YAS Island (Replacement of Overhead line section by 11KV underground cable, including of all allied works)	Dorsch Gruppe DC -Abu Dhabi	M/s. ADNOC-Compated service petrol station	2019
26	Grand Marina Inter. Residence, Al Bateen, Abu Dhabi (11Kv External Cables for Permanent Electrical Connection, including Testing commissioning, operation and maintenance)	EHAF Consulting Engineer	M/s. CATIC	2020
27	Al Reem Hospital Installation of irrigation system and potable water network	VAMEED	VAMEED	2020
28	Intercontinental Hotel (Energization of 3 Nos. of Sub Stations 11kV/0.4 kV)	EHAF Consulting Engineer	National corporation for Tourism & Hotels	2021

29	Red Crescent Headquarter EB2-01 Plot: P5 Baniyas Abu Dhabi Supply and installation of complete indoor distribution 11KV/0.4KV substation with 2X2000KVA Dry Type Transformer, including testing, commissioning, operation and maintenance	Bainona Engineering Consultancy	Red Crescent / M/s. Qumra	2021
30	Mina Palace (Private Villa) 315 mm pipeline expansion to the private villa, 400 m long.	Royal	M/s. Trojan	2021
31	Shams Cooling Plant – Al Reem Island (Electrical works 22Kv Feeder cable (Design, Engineering, Procurement Installation, laying, Termination, jointing, Test & Commissioning, & Energization) from ADDC Primary Substation (REMGPRY2) to ADDC pointed area)	Core Engineering Consultancy	M/s. Pal Technology Cooling LLC	2021
32	Al Reem island bridge and causeway demolition works (Relocation of Temporary 11nos. 11KV Cables under Reem Island Causeway)	Parsons	M/s National Marine Dredging Company/	2022
33	Relocation / Supply & Installation of Electrical Package Unit Distribution Substation Works (Supply, installation, and testing of 11KV cable, including shifting of 4nos 1500KVA existing Package Unit with all allied works)	Arcadis	M/s FIBREX Co. L.L.C./Al DAR	20221
34	Design, Supply & Installation Temporary, Low Voltage Works (Supply & Installation Temporary Existing Distribution Substation 11Kv/ 0.4Kv, Low Voltage Works)	Arcadis	M/s FIBREX Co. L.L.C./Al DAR	2022

35	Supply and Installation of Temporary Power Connection -Phase 1 in Zayed National Museum (Temporary connection for 3nos substation preparing LV shop drawings, coordination with ADDC and other local authorities, attending technical meetings with ADDC, complying with ADDC interface requirements, obtaining ADDC approval for all proposed materials and equipment, obtain work temporary connection for 3nos substation preparing LV shop drawings, coordination with ADDC and other local authorities, attending technical meetings with ADDC, complying with ADDC interface requirements, obtaining ADDC approval for all proposed materials and equipment, obtain work)	Hill / WSP	Abu Dhabi Department of Culture and Tourism M/s Sixco – Trojan Joint Venture (ST JV)/ AL DAR	2022
36	Relocation of W62B4 P/U substation Works (VD21 Marina Multi-Purpose Hall, of Relocation of W62B4 P/U substation and all accessories' works)	Al Tayer	ADNEC /M/s Gulf Industrial Services Company – GISCO L.L.C.	2022
37	Supply and Installation of Temporary Power Connection- Phase 2 in Zayed National Museum (Temporary connection for 1nos substation preparing LV shop drawings, coordination with ADDC and other local authorities, attending technical meetings with ADDC, complying with ADDC interface requirements, obtaining ADDC approval for all proposed materials and equipment, obtain work temporary connection for 3nos substation preparing LV shop drawings, coordination with ADDC and other local authorities, attending technical meetings with ADDC, complying with ADDC interface requirements, obtaining ADDC approval for all proposed materials and equipment, obtain work)	Hill / WSP	Abu Dhabi Department of Culture and Tourism / Sixco – Trojan Joint Venture (STJV)	
38	Danat Cooling Plant - Energization of 3 No. of Substation (11kV CABLE NETWORK BETWEEN PLOT P6	Core Engineering Consultancy	M/s. PAL Danat Cooling LLC	2023

	SECTOR W59-2 AND PLOT SECTOR E40 - ABU DHABI, UAE.)			
39	Guggenheim Abu Dhabi (Energization, Operation and maintenance of 22kV 3 Nos. of Sub Stations in Al Saadiyat Island)	Hill / WSP	Abu Dhabi Department of Culture and Tourism	2023
40	ADNOC Patrol Station (Cancellation of 11kV Overhead lines)	Dorsch Gruppe DC -Abu Dhabi	M/s. ADNOC	2022

44	AL Hudayriat Surf Ranch (Design, supply, Delivery, installation, testing, and commission of temporary power substation 11KV including TRM, MDB, SMDB, Isolators)	GHT	M/s. MODON / Fibrex	2023
45	Ba Al Ghaiylam -Enabling Works (Supply, installation and Relocation of 3nos. of 11KV Cables.)	Dar engineering consultants	M/s. ALDAR / APCC	2023
46	Enabling Works S1101 on Plot C11 (RELOCATION & CANCELLATION OF EXISTING 14 NOS, 11KV-CABLES AT AP-2143)	Kling Engineering Consultant	M/s. APCC	2023

47	Enabling Works S1101 on Plot C11 (PERMANENT REMOVAL FOR STREET LIGHT POLES)	Kling Engineering Consultant	M/s. APCC	2023
48	Removal of Existing Street Light Pole (Removal of Existing Street Light Pole (2Nos)	Bilfinger Tebodin	M/s ADONC / Gulf Asia Contracting Co. LLC	2023
49	MINA ZAYED FISHERMEN WHARF (Removal, dismantling and relocation of existing utilities in Mina Zayed)	Dar Engineering Consultants	M/s. MODON / TROJAN	
50	TABREED District Cooling Plant (Installation, and testing of 11KV cable, including shifting of 4nos 1500KVA existing Package Unit with all allied works)	ALGORAIR	M/s TABREED	2023
51	Additional 1800 kVA Transformer and Chillers for substation SWH023 located in plot P18 in Zayed Military City	Fittons Engineering Consulting	M/s TABREED/ Gisco	2023
52	Yas Island Residential Water Supply System Design and installation of potable water distribution lines for residential communities.	Dar Engineering Consultants	M/s. ALDAR /	2022
53	Temporary power supply to plot C105B in E16_01 Supply and installation of 1 No 11KV/0.4KV substation Temporary Supply including 11kV cable, the civil works such as trenching removal and reinstate of interlocking tiles, asphalt	ARFA	H. H. SHEIKH SUROORPRIVATE OFFICE	2023
54	In3tallation of HV and LV equipment, laying of 11kV cables in Swehan	N/A	TAWAZUN / Gisco L.L.C	2023
55	Tawazun Industrial Park (Adding Additional Panels and transforms, testing & commissioning of all equipment including shutdown works)	N/A	TAWAZUN / Gisco L.L.C	2023

56	AL NAWRAS ISLAND RESORT & GOLF CLUB - Phase 1 (relocated of GUZ17&GUZ18 PUs inside plot C1 as per customer proposal INCLUDING 11Kv CABLE)	JT+Partners	TURQUOISE INVESTMENTS / DAS HOLDING	2023
57	AL NAWRAS ISLAND RESORT & GOLF CLUB - Phase 2 (Supply and installation of Temporary Supply from LV Side of 2 Nos P/U for construction purpose including LV cable, the civil works such as trenching removal and suppling of 2 Nos MDBs, 10 Nos of SMDBs with full accessors.	JT+Partners	TURQUOISE INVESTMENTS / DAS HOLDING	2023
58	AL NAWRAS ISLAND RESORT & GOLF CLUB - Phase 2 installation of new potable water network to serve the new camp and offices	JT+Partners	TURQUOISE INVESTMENTS / DAS HOLDING	2023
54	TEMPORARY STAFF ACCOMMODATION, AL REEM ISLAND, (Supply and installation of 1 No 11KV/0.4KV substation Temporary Supply including HV & LV cables, the civil works such as trenching removal and reinstate of interlocking tiles, asphalt)	GBH	R9 International.	2023
55	Underground High Voltage Cabling Works for Substation cancelation of WINW, W13A01 & W13A03 in W13_01 plot P2.	Morgan	SEHA	2023
56	Design, Supply & Installation Temporary, (Supply & Installation of 5 no of Permanent Distribution Substation 11Kv/ 0.4Kv and Supply & Installation of 11kV cables)	ADD Engineering / Feeder	Aldiwan	2023
